MAY 2010

May 8th Saturday Half Marathon, New Prague Same station as last year.

To get there take a left (south) on Co. Rd. 164 from Hwy. 19, go one mile then take a right on Co.Rd.29. Our station will be one mile west of 164. We need people to bring water in 5 gallon containers if possible. It needs to be clean water, no well water, but it doesn't have to be bottled. We have all the cups but we do need tables. We need to be set up by 7:45am. Bring your concertinas. I will have drums, bass and P.A. Any questions call Bob Pexa – 952-758-2298 or 612-701-8069 (20 people will make this job easy.)
